## **Motivation**

Describe in the box below your reasons for taking the course. Describe your research and the need to use X-ray Crystallography and why taking this course will help your academic requirements and/or progress in your research. Describe your current crystallography training and experience. This information will help us fine-tune the presentations.

**Enter your text here:**

## **Instructions for submission:**

Please fill in this form and send it to [britten@mcmaster.ca](mailto:britten@mcmaster.ca) as soon as possible (before May 1<sup>st</sup>). Ask your supervisor to send a brief e-mail (to [britten@mcmaster.ca](mailto:britten@mcmaster.ca)) describing the importance or attending the course for you and your research. Your supervisor must give your name in the e-mail subject. If more than one student in the research group is requesting attendance, a stronger justification must be given.
