Motivation

Describe in the box below your reasons for taking the course. Describe your research and the need to use X-ray Crystallography and why taking this course will help your academic requirements and/or progress in your research. Describe your current crystallography training and experience. This information will help us fine-tune the presentations.

Enter your text here:

Instructions for submission:

Please fill in this form and send it to britten@mcmaster.ca as soon as possible (before July 1st). Ask your supervisor to send a brief e-mail (to britten@mcmaster.ca) describing the importance or attending the course for you and your research. Your supervisor must give your name in the e-mail subject. If more than one student in the research group is requesting attendance, a stronger justification must be given.

Accommodation

Details for accommodations can be found at

<https://xtallography.ca/index.php/xtal/meetings/cpdw-11/accommodation/>

It will be the responsibility of the participants to book and pay for accommodations.
