Motivation

Describe in the box below your reasons for taking the course. Describe your research and the need to use X-ray Crystallography and why taking this course will help your academic requirements and/or progress in your research. Describe your current crystallography training and experience. This information will help us fine-tune the presentations.

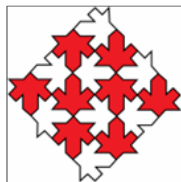

Enter your text here:

Instructions for submission:

Please fill in this form and send it to jarvisvm@mcmaster.ca as soon as possible (before July 22nd). Ask your supervisor to send a brief e-mail (to jarvisvm@mcmaster.ca) describing the importance of attending the course for you and your research. Your supervisor must give your name in the e-mail subject.

Accommodation

The workshop is virtual. No accommodations are required.
