## Motivation

Describe in the box below your reasons for taking the course. Describe your business or research (what can be discussed publicly) and the need to use X-ray crystallography. How will taking this course will help with your contribution to your company’s advancement? Describe your current crystallography training and experience. This information will help us fine-tune the presentations.

Enter your text here:

## Instructions for submission:

Please fill in this form and send it to jarvisvm@mcmaster.ca as soon as possible (before Aug 1\textsuperscript{st}). Ask your supervisor to send a brief e-mail (to jarvisvm@mcmaster.ca) describing the importance of attending the course for you and your research. Your supervisor must give your name in the e-mail subject. If more than one member of the research team is requesting attendance, a stronger justification must be given.

## Accommodation

Details for accommodations can be found at https://xtallography.ca/index.php/xtal/meetings/cmdw2019/accommodation/

It will be the responsibility of the participants to book and pay for accommodations.
