Motivation

Describe in the box below your reasons for taking the course. Describe your research and the need to use X-ray crystallography and why taking this course will help your academic requirements and/or progress in your research. Describe your current crystallography training and experience. This information will help us fine-tune the presentations.

Enter your text here:

Instructions for submission:

Please fill in this form and send it to ldawe@wlu.ca (Dr. Louise Dawe) as soon as possible (before May 1, 2022). **Ask your supervisor to send a brief e-mail (to ldawe@wlu.ca) describing the importance or attending the course for you and your research. Your supervisor must give your name in the e-mail subject.** If you do not have a supervisor, please provide a relevant academic reference. Please do not send funds for registration (\$275 CAD) until you have been noticed of acceptance.

Notification of Participation

Registration will be limited to 30 participants, with priority for trainees at Canadian institutions. Participants will be notified by May 15, 2022, of their acceptance (or earlier if capacity is reached, or upon special request).
